DIVISION PRESIDENT'S REPORT

Fellow Members

The last 12 months have been challenging for everyone.

With COVID-19 being the predominant news throughout 2020-21, we have seen the first total shut down in the Sydney construction industry in 100 years. Large global shortages in materials have led to delays on sites and we have had to adapt with the way we carry out our business, both on-site and in the office. In addition, the building industry has been busier than ever with many people making the decision to build or renovate their homes. Our industry has taken on these new challenges with confidence, positivity and continues to move forward.

Our Division has regularly met each month whether it be at The Builders Club, Dee Why early in the year, to now meeting via Zoom.

I would like to thank the Committee for their dedication and continued hard work for the Manly Warringah Division. We have grown stronger each year with every committee member going above and beyond in their roles.

I would also like to thank the support given by Head Office who have been committed in representing our members and keeping us informed. To our sponsors Hardware & General, The Builders Club, EJ Shaw & Son, Shamrock Joinery, Eagle Financial, AOR Cranes, Brown Brothers Skip Bins, Ron Flew Excavations, Proactive Compliance, Edcon Steel, Getter Deliveries, The Logo Company, Autodesk and Sub Zero we thank you for your continued dedication and financial support.

The Manly Warringah Division continues to be a community for local builders to gather, share, support, learn and educate one another.

In the year ahead, we have our Tasmania trip booked and our charity golf day, aimed at raising money for non-for-profit organisations.

PRESIDENT'S REPORT CONTINUED

I look forward to another fulfilling year ahead with the Manly Warringah Division.

Yours sincerely

DIVISION SECRETARY'S REPORT

Dear Members

Welcome to your 2021 Annual Report.

We currently have a total of 516 members in our Division.

Our meetings are on the second Thursday of every month (excluding January and December) and are normally held at The Builders Club, 18 Fisher Road, Dee Why.

As you will appreciate, due to COVID-19, our meetings have looked a little different this year and are now being held virtually, at no cost to members. Invites for our virtual meetings including links and guest speakers are sent via email.

Attending our monthly Division meetings accrue 2 CPD points (1 CPD point per hour). Our meetings are the best place for networking and are a great forum for discussion - plus you earn valuable CPD points. We always welcome members to attend.

I would like to thank and congratulate Alex Stritt on his first year as President of the Division. Alex has done a wonderful job and, like all committee members, gives up his time freely for the Division. I look forward to working with Alex over the coming year.

I cannot recommend enough for you to get involved with your Division. The committee and myself are here to help you, please reach out to us at any time.

Warm regards

Natalie Chrara
Secretary
