Fellow Members

Who would've thought 2020 would have thrown up so many challenges?

Firstly, I think we should all congratulate head office in playing their part with the Government in keeping our industry open during the COVID-19 lockdown. As an industry that was considered essential, we were very fortunate to continue working.

Our pursuit of knowledge and looking outside the box was placed on hold this year due to COVID-19, but I am sure we can start the knowledge tours up again, once COVID-19 is under control.

The continued support of our sponsors allows the Committee find speakers that we would normally not have access to. So, a massive thank you to our sponsors for your ongoing commitment and support of the Manly Division members:

- All Over Rigging
- Brown Bros Bins
- Edcon Steel
- EJ Shaw
- Getter
- Hardware & General
- Proactive Compliance
- Ron Flew Excavations
- Shamrock Joinery
- Swaab Lawyers
- The Builder's Club

Members, continue to show your support to our sponsors, they are essential to the Division's success.

We appreciate the direction and support that head office has given us, particularly, Brian Seidler, Craig Donovan and Luke Reeves.

To the Committee who make themselves available each month to assist in the running of the Division, without you, the Division would not be what it is today. Thank you for the support over the past 3 years. During this period, the inaugural "Tour of Knowledge" to the International Builder's Show in Las Vegas, USA occurred, with great success.

With the support of the Committee, we were also able to bring out to Australia international guest speakers to speak at our bi-annual double-header meeting, which was another great success.

Thank you to the Simon and the kitchen staff at The Builders Club who feed us along with the experts behind the bar who water us.

This year saw the changing of the guard in the secretarial position. We welcomed Natalie Chrara who took over from Cassandra. Nat has kept busy over the last few months getting up to speed with all the behind the scenes running of the Division, for which we thank you for all that you effortlessly deliver.

A big thank you must go out to Cassandra for the past 19 years that she was a Division secretary. Our continued success can be contributed to your years of dedication to the Division.

We will continue to strive to bring our members up-to-date, state-of-the-art information and value all your contributions, enthusiasm, dedication and knowledge.

It has been a privilege to serve as the Division President for the past three years. I wish the incoming President and Committee great success for the future.

As I always say, up in \$1,000's, down in \$100's.

David Campbell
President 2017 - 2020

Dear Members

Welcome to your 2020 Annual Report.

We currently have a total of 511 members in our Division.

Our meetings are on the second Thursday of every month (excluding January and December) and are normally held at The Builders Club, 18 Fisher Road, Dee Why.

As you will appreciate, due to COVID-19, our meetings have looked a little different this year and are now being held virtually, at no cost to members. Invites for our virtual meetings including link and guest speakers are sent via email.

Attending our monthly Division meetings accrue 2 CPD points (1 CPD point per hour). Our meetings are the best place for networking and a great forum for discussion – plus you earn valuable CPD points. We always welcome members to attend.

I would like to thank and congratulate David Campbell on his third and final year as President of the Division.

David has done a wonderful job and, like all committee members, gives up his time freely for the Division. I look forward to working with our newly elected President over the coming year.

I cannot recommend enough for you to get involved with your Division. The committee and myself are here to help you, please reach out to us at any time.

Warm regards
