# Annual Workplace Relations Luncheon

We are delighted to extend an invitation to you to attend the Master Builders Association of New South Wales Annual Workplace Relations Christmas Luncheon for 2021

We sincerely hope that you will be able to join us this year as it provides a unique opportunity to catch-up with both colleagues and competitors in a relaxed social environment. It also gives the Association's Industrial Relations and Safety Departments the chance to thank those with whom we have continued to work with throughout the past year.

Yours sincerely  
Peter Glover  
DIRECTOR CONSTRUCTION
